

REMARKS

Claims 1-7, 9-18, and 24-26 are pending in the Application.

Telephone Call

On September 17, 2009 and September 22, 2009, Applicants' representative, Christopher J. Pfister, # 63,213, contacted the Examiner to confirm that a Supplemental Amendment could be entered and considered in this case. Applicants thank the Examiner for his time.

Claim Amendments

By this Amendment, Applicants amend claims 1, 9, 14, 15, and 24-26 to correct errors in the Amendment filed on September 16, 2009.

Applicants submit that the claims still recite features which the Examiner has indicated as allowable, and hence the claims remain patentable over the cited art.

Conclusion

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/Christopher J. Pfister/
